We hope you have been having an amazing Summer!

Things have been busy here at the Rapid City Village Market. If you haven't stopped by yet, we now have all fuel types again: regular, diesel and recreation fuel.

Our expansions are set to begin later this Fall. We will be adding a convenience store as well as two more gas pumps. That will bring our gas pump count up to 10 pumps for your convenience! AND all the pumps will be state of the art so stay tuned!

Rib Fest

Rib Fest is winding down for the season as well, so the last day for the Rapid City Store to host the Rib Fest will be Saturday August 19th.

The Elk Rapids Store will be hosting August 12th and 26th if you can't make it here.

Secret Shopper Winners

A big shout out to our Secret Shopper winners!

Every month our store gets shopped by Secret Shoppers to make sure we are doing our best for you.

Brew Crew

The Brew Crew is going strong!

Last month's special event with Bee Well was a blast! Tony Colombo from Bee Well Meads in Bellaire came over to share some of their delicious meads and hard ciders! Everyone had a great time learning about Bee Well and their amazing products. Thank you Tony!

We have more Brew Crew events in the works for this Fall so keep an eye on us! You can also stop by and join the Brew Crew any time!

Football Season

With football season right around the corner be sure to stop by our Meat Department for burger, steaks and other tailgate necessities!

Don't want to cook? Bring a hot pizza to the party! Our Deli offers all kinds of toppings to chose from! Just call 231-331-6111 ext. 3.

We hope these last few weeks of Summer bring you smiles and good memories! We look forward to taking care of you and your family!
