Plant Sale

The Plant Sale has been an amazing success! This year's selection is going strong!

Prices will be marked down 50% starting June 13th. We still have a lot to choose from and the hanging baskets will be here all season long.

We have a new nursery that we ordered from and they did not disappoint!

Brew Crew

The Brew Crew Had their first event with Short's Brewery June 6th. There was a good turn out! Folks got to see the new Brew Crew gear and sign up to be a founding member.

Bee Well Mead & Cider will also be at our store in July for a tasting! Stay tuned for dates!

The Brew Crew is a fun way to enjoy your adult beverages!

A \$40 annual fee gets you an official Brew Crew tee, a coozie, a key chain and a magnet with your name on it on the Beer Cave! Throughout the year we will have special Brew Crew promotions and discounts. As a matter of fact you can get \$2 off your first adult beverage purchase of \$10 or more!

Stop by and sign up today!

Gas Station Upgrade

We are getting ready to break ground to upgrade our gas station and put in a convenience store! We have run out of both rec and diesel fuel. The construction should take a month or so to complete. So keep an eye on our parking lot!

We look forward to seeing you! Stay safe!
