

## Rapid City VM Happenings May 2023

### Store Changes

Some exciting things are happening at the Rapid City Village Market!

This May we hope to have a salad bar up and running. Soon you can make whatever kind and size of salad you like. There will be a wide variety of goodies to choose from!

There is also a box outside our gas window to help those that may need it. Local community services asked to install this Harm Reduction MI box. It contains Naloxone and is free to those that need it.

Keep an eye out for our plant sale dates! Soon to be announced!

### Deli Department

Our deli has gotten a facelift over the past year or so. One of the highlights of that is that we now serve made to order pizza! And let's not forget that amazing cheesy bread!

There are many pizzas to choose from. The standards include:

- Pepperoni
- Meat lovers
- Supreme

Awesome pizza specialities include:

- BBQ
- The ever popular breakfast pizza
- Seasonal favorites

Seasonal favorites include Philly steak and cheese. This goes well with our Meat Department's new Philly steak and cheese snack sticks.

Another seasonal favorite was the Reuben pizzas we had around St. Patrick's Day. The choices are ever-changing! You can call and place your orders from 11am to 7pm seven days a week.

Our deli also offers daily lunch specials Monday through Friday. Soups, sandwiches, broasted chicken, breakfast sandwiches and more. All cooked fresh for you!

### Meat Department

Our popular meat department now has a new smokehouse! All the better to make you even more amazing food!

There are delicious burgers like the amazing Nathan Burger aka bacon lover's dream! It is a burger patty made with bacon and cheese then wrapped in bacon and smoked. Yum!

There are smoked meats like chicken and pork available. Weekly specials include:

- Smoked mac and cheese
- Smoked pulled pork sandwiches
- Smoked bacon wrapped jalapenos
- And so much more

The meat department is rolling out some new flavors! We have new smoked buffalo ranch wings!

The Rapid City meat department has long been known for their amazing snack sticks. These are available at both our Rapid City and Elk Rapids locations. The latest edition to their tasty line up is a Philly steak and cheese snack stick. More flavors on the way!

## Beer and Liquor Departments

Not only are new flavors coming in, but we have two new clubs for you to join!

Our first is the Shooter of the Week. Each week is a new shooter flavor. If you buy one you get a punch on your punch card. If you buy any other flavor you need to buy two for a punch on your card. Once your card is full you get a discount on your next shooter purchase.

Have a favorite recipe that's made from our Shooter of the Week? Submit it and enter to win a \$10 gift card for either Village Market. It can be either a drink recipe or a food recipe. We have Weekly recipes for you to try as well!

Prefer beer or RTDs (ready to drink)? We have just the thing!

With a tentative launch date of the beginning of June, the Beer Crew is sure to be a hit! For a yearly fee you get:

- An exclusive Beer Crew tee
- A coozie and bottle opener
- Your name featured on a cool magnet on our beer cave!

There will be samplings of new drinks as they come in. We also plan to offer discounts throughout the year. Also save the date! Tuesday June 6th will be a special event in conjunction with Short's Brewery! Stay tuned!

That's all for this month! We look forward to sharing more exciting happenings next month!
