

Rapid City VM Happenings October 2023

Welcome to the October newsletter!

With Fall moving in at a quick pace you can see our construction is too! The pumps should be up and running by the end of this month. We will be offering five grades of fuel: regular, midgrade, premium, rec fuel and diesel at all the pumps. Now that we will be a Marathon station customers will get even more discounts on top of what we offer for our gas club. For instance apply for a Marathon card and get five cents off a gallon! Our convenience store should be open for business by the end of November. It will be stocked with snacks, coffee, beer and other goodies you might need last minute.

Fall Season in the Store

The Fall season also means new things in the store!

Deli

The deli has a sweet pepper coleslaw and a bean salad made in store by our very own Vicki! They are also offering new grab and go meals in their sandwich cooler. Choose from BBQ meatballs with green bean sand herbed potatoes or grilled herb chicken breast with beans and herbed potatoes. There are more choices on the way!

Pizza

The pizza department is still offering the family special of an order of cheesy bread, 1 large topping pizza and a 2 liter of pop for \$19.99. There have been whispers about new cheesy bread flavors like chili cheese so keep an eye out!

Meats

Good news from the meat department! The smokehouse is back up and running! Stop by during the week and try some of our favorites like Nathan's Bacon Bomb Burger for \$7.49! The meat department is also trying some new snack stick flavors! The latest is pizza, yum!

Friday and Saturday, October 13th and 14th, will be our meat sale. When you stop by for the sale you'll see a new section in the meat case. We now have our Chairman's Reserve proudly displayed in their own section.

Groceries

Our grocery department is stocked with you favorite Fall goodies like pumpkin spice coffee and cereal as well as Halloween candy and cereals. There are also new coffee brands to chose from. We now carry craft soda from the Northern Soda Company. Come check out some of the amazing flavors!

Apparel

With cold weather rolling in Laurie has stocked up on some amazing Torch Lake apparel to keep you warm.

Come get 'em while you can!

Liquor Department

The liquor department has also gotten some new stock in. We have three Midnight Moonshake flavors in both 750ml and 50ml sizes. We carry chocolate brownie, apple pie as well as cookies and cream. Yum! There is also the new pumpkin spice Rum Chata and new for us this year salted caramel Crown Royal. Rounding out the Fall flavors is Journeyman Distillery's apple cider liquor.

Not to be out done the Beer Cave is sporting some new selections as well. We are proud to be one of the first stores to be carrying Bell's new seasonal Oberon Eclipse! There are also various Octoberfest beers to choose from. Come get them while you can!

Brew Crew

The Brew Crew is still going strong! Join for \$35 this month! That gets you an official Brew Crew tee, coozie, carabine/bottle opener and magnet with your name in it! You'll also get great discounts, bonus swag from our vendors and samples over the course of the year. Speaking of cool stuff make sure you mark your calendars! Friday October 13th 12-4pm we'll be hosting Bee Well Meadery.

Friday October 20th 2-5pm will be Saugatuck Brewery and Thursday October 26th from 2-5pm we'll be tasting Voodoo Ranger and maybe even some more Oberon Eclipse! Everyone is welcome but Brew Crew Members will get special discounts!

We hope to see you soon!

Have a great October!
