Gas Station

As of Labor Day construction has begun! We will not have fuel for about a month while we get all new pumps (including two new ones), a new canopy over the pumps, a convenience store and new branding for our gas. We will be a proud seller of Marathon gas once things are up and running again.

What does that mean for you as a customer? Not only will you get gas discounts like before but you will also be able to earn various discounts via Marathon! How cool is that!

Pizza

The deli still has their Family Pizza Special going all month. One large pizza with one topping (you can add more for an additional fee), one cheesy bread with dip and a 2 liter of your choice for only \$20!

Keep an eye on our sign outside or call 231-331-6111, extension 3 for new and yummy pizza flavors!

Secret Shopper Winners

Congratulations to our Secret Shopper winners!

Every month our store gets shopped by Secret Shoppers to make sure we are doing our best for you.

Brew Crew

Welcome to our new Brew Crew members!

This month's back to school deal is \$30, instead of \$40. It also includes all the cool Crew gear:

- tee shirt
- beer coozie
- bottle opener/carabiner keychain
- magnets (one with your name on it for the beer cave and one to take home)
- \$2 off any single in the beer cave!

This month's tasting will be with Upper Hand Brewery Friday September 29th from 2-5pm. Stop by and try out some new brew and Brew Crew members get some sweet extras!

Want to be a member? Just stop by the Rapid City Village Market and ask for Jen and she will hook you up! We are getting new beer flavors as well. Make sure you stop by and see our latest finds!

Halloween

Halloween candy is beginning to trickle in! We have cool Day of the Dread skulls that hold candy and some Nightmare Before Christmas candy as well! More yummy stuff coming in with every truck!

As always thank you for being loyal customers. We look forward to serving you through our new expansions and beyond!
